## Letter Choices

1. Merry Christmas greetings! Rudolph just whispered in my ear that the sleigh is nearly packed. He can hardly wait to lead the reindeer with my sleigh full of toys on our long trip to visit the homes of good girls and boys!

I just had to take a minute to write to you that I am very pleased with the good reports I have received about you. I see that you have been a very good boy/girl this year!

Please be sure to hang your stocking and be in bed early because Christmas will be such a busy day!  
Keep on being a good boy/girl and I will see you soon!

2. Here is a little note to tell you how special you are. And, your very first Christmas is most special of all! Everyone has been waiting so long to share this special time of year with you.

Santa is so happy to finally get to meet you! Of course you will be sleeping soundly, all cuddled up for the night, so I won't disturb you. I will be sure to leave something extra special under the tree to help you celebrate your very first Christmas!

**Merry First Christmas!**

3. I am so happy that Christmas is almost here! I can hardly wait to load up the sleigh.

The elves have been busier than ever making sure I have plenty of toys for all of the good boys and girls. Mrs. Claus is making gingerbread and sugar cookies to fatten me up for my red suit!

Think of the reindeer and me this Christmas Eve while you are snugly tucked in your bed. Maybe you might even be able to guess what I am going to bring you that night!

4. HO! HO! HO! Merry Christmas!

It is Santa here and it is nearly time for me to be dropping in on you.

I am looking forward to a busy Christmas - delivering presents to good boys/girls like you!

My elves have been working extra hard this year making toys and all sorts of other wonderful gifts. I will try to bring you something extra special for a (age) boy/girl!

Your Mom and Dad have been keeping a watchful eye on your behavior and tell me that you have been very good this year. I look forward to bringing you lots of surprises on Christmas Day!

5. Merry Christmas! Just a little note to let you know how happy we all are up here at the North Pole that you have been so thoughtful about others. You are growing up into a very good boy/girl which must make your family & friends very proud! I know it sure makes me proud!

Have a wonderful Christmas. I have to get going – loads of letters to write, as well as the sleigh to finish packing up. You know... busy, busy, busy!!!

P.S. You can see me online when I am getting close to your house! Make sure you ASK permission first!
